DIGEST

SB 32 Original | 2025 Regular Session | Allain

Proposed law provides for limitation of liability to agricultural producers that utilize gypsum and suppliers of gypsum to agricultural producers.

Proposed law requires all of the following be executed to limit liability:

(1) All requirements of proposed law and any rules or regulations adopted and are complied with.

(2) The agricultural producer obtains gypsum at no cost from a source where the gypsum is being stored as a byproduct of a manufacturing process.

(3) Agricultural producers must use gypsum that has been analyzed and passes analytical tolerances established by the department on his land or with written authorization from the landowner.

Effective August 1, 2025.
