DIGEST

SB 100 Original | 2018 Regular Session | Morrell

Present law provides that state hospitals, or its successor state agencies, are authorized and directed to deposit into the state general fund all receipts of lease payments for the lease of state hospital buildings and equipment as recognized by the Revenue Estimating Conference.

Proposed law revises present law to provide that, beginning in Fiscal Year 2019-2020, the state hospitals, or their successor state agencies, are authorized and directed to deposit into the state treasury all receipts from lease or rental payments for the lease of hospital buildings, facilities, or equipment. The receipts shall be classified and considered as fees and self-generated revenues available for appropriation to the Louisiana Department of Health as recognized by the Revenue Estimating Conference.

Effective upon signature of the governor or lapse of time for gubernatorial action.
