

2018 Regular Session

SENATE BILL NO. 209

BY SENATORS BARROW AND BISHOP

EMPLOYMENT. Requires advance notice of mass layoffs and closure of certain businesses. (8/1/18)

1 AN ACT

2 To enact Part XIV of Chapter 9 of Title 23 of the Louisiana Revised Statutes of 1950, to be

3 comprised of R.S. 23:1019.1 through 1019.9, and 1472(9), relative to employment;

4 requires certain businesses to notify certain employees in advance of mass layoffs

5 or business closures; provides for legislative intent; provides for exceptions; provides

6 for definitions; provides for notification of certain officials; provides for a reduction

7 in the notification period; provides for expedited unemployment benefits and worker

8 retraining; provides for liability; provides for damages; and to provide for related

9 matters.

10 Be it enacted by the Legislature of Louisiana:

11 Section 1. Part XIV of Chapter 9 of Title 23 of the Louisiana Revised Statutes of  
12 1950, comprised of R.S. 23:1019.1 through 1019.9, and 1472(9) is hereby enacted to read  
13 as follows:

14 **PART XIV. WORKER ADJUSTMENT AND**

15 **RETRAINING NOTIFICATION**

16 **§1019.1. Short title; citation**

17 **This Part shall be known and may be cited as the "Louisiana Worker**

1 Adjustment and Retraining Act" or the "Louisiana WARN Act".

2 §1019.2. Legislative findings and intent

3 A. The legislature finds that the earlier that employees of large  
4 businesses are warned of impending massive layoffs, the more likely workers  
5 are to be able to find alternative employment or retraining in order to provide  
6 for themselves and their families in the future.

7 B.(1) It is not the intent of the legislature to supercede the federal  
8 "Worker Adjustment and Retraining Notification (WARN) Act of 1988", as  
9 provided for in Chapter 23 of Title 29 of the United States Code and which law  
10 applies to employers who employ one hundred employees or more.

11 (2) It is the intent of the legislature to extend those same types of benefits  
12 provided in the federal WARN statute to Louisiana employees who work for  
13 companies that employ fifty or more full-time employees.

14 (3) It is further the intent of the legislature to provide more employees  
15 with greater access and awareness of retraining resources and to expedite  
16 unemployment claims for Louisiana workers who were laid off work through  
17 no fault of their own.
