The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Xavier I. Alexander.

DIGEST

SB 179 Engrossed | 2023 Regular Session | Talbot

Present law provides requirements and prohibitions for the State Uniform Construction Code.

Proposed law retains requirements and prohibitions in present law and adds the requirement that all new roofs and replacement roofs constructed on residential property shall meet or exceed the standards of a fortified roof.

Effective August 1, 2023.

(Adds R.S. 40:1730.28.2(A)(4))
