The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by McHenry Lee.

DIGEST

SB 140 Original | 2016 Regular Session | Walsworth

Present law provides that the secretary of the Dept. of Environmental Quality is responsible for the functions of environmental air quality assessment, water quality assessment, remediation services, and laboratory services and must assign each of these functions to either the office of environmental compliance or the office of environmental services.

Proposed law repeals present law.

Proposed law creates the office of environmental assessment.

Proposed law provides that the office of environmental assessment must provide for environmental air quality assessment, water quality assessment, and technology and must administer all remediation services and such duties as delegated by the secretary.

Effective August 1, 2016.

(Amends R.S. 36:231(C)(1); adds R.S. 30:2011(C)(1)(b) and 36:238(C); repeals R.S. 30:2011(D)(26))
