DIGEST

SB 229 Original 2022 Regular Session McMath

Present law provides for the protection of personally identifiable student information.

Proposed law provides that notwithstanding present law the Board of Regents, governing authority of each public secondary school, the Dept. of Education, and the La. Workforce Commission shall exchange student information, including full name, date of birth, and social security number, for the express purpose of gathering data regarding rates of students obtaining industry credentials and entering into the field for which they earned such credentials or pursuing further education related to the industry for which they earned such credentials. Requires that confidentiality of shared information be maintained and provides for penalties for breaching confidentiality.

Effective upon signature of the governor or lapse of time for gubernatorial action.
