SB 304 Original | 2020 Regular Session | Peacock

Present law provides that the total amount of combined contributions for both the primary and general elections that may be accepted by a candidate and his principal and subsidiary campaign committees from political committees will not exceed $80,000 for major office candidates, $60,000 for district office candidates, and $20,000 for other office candidates in aggregate.

Proposed law removes the limitation on combined contributions for both the primary and general elections that may be accepted by any candidate and his principal and subsidiary campaign committees from a political committee.

Effective August 1, 2020.
