2018 Regular Session

SENATE CONCURRENT RESOLUTION NO. 101

BY SENATOR DONAHUE

BUDGET PROCEDURE. Regards a budget plan that provides funding established by a standstill budget and includes priority programs.

A CONCURRENT RESOLUTION

To present a budget plan that reflects the reduction of Louisiana's sales taxes and includes funding established by a standstill budget and priority programs.

WHEREAS, House Bill No. 1 of the 2018 Regular Session, the general appropriation bill for Fiscal Year 2019, does not contain full funding for eligibility categories for the disabled and elderly under the Medicaid program, medical education, supplemental Medicaid payments to the public-private partnership hospitals, the Taylor Opportunity Program for Students scholarships, local housing of state prisoners, the district attorneys and the assistant district attorneys, higher education base funding, and GO Grants.

THEREFORE, BE IT RESOLVED by the Legislature of Louisiana that it shall work together with the governor to identify budget solutions to fund the priorities of the state and to enact a budget that is balanced and brings economic and fiscal responsibility to the state.

The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Martha S. Hess.

DIGEST

SCR 101 Original 2018 Regular Session Donahue

Regards a budget plan that provides funding established by a standstill budget and includes priority programs.
