The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Ben Huxen.

DIGEST

SCR 48 Original | 2017 Regular Session | Milkovich

Requests that the division of administration request each agency to indicate on their respective websites, information as to whether such agencies lease nonpublic buildings for their operations and, if so, to identify the location and dimensions of such buildings, the ownership of such buildings, the amount spent to lease such buildings, and the amount of underutilized space.

Requests the commissioner of administration to report to the legislature and the governor on or before September 1, 2017.
