SB 113 Original 2021 Regular Session Tarver

Present law requires the court to order payment out of the court fund to the interpreter for his services at a fixed reasonable amount in civil proceedings.

Present law specifies that the amount paid out of the court fund may be taxed by the court as costs of court to be reimbursed to the fund.

Proposed law eliminates the authorization that the amount paid out of the court fund to the interpreter be taxed by the court as costs of court to be reimbursed to the fund.

Effective upon signature of the governor or lapse of time for gubernatorial action.
