The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Archana D. Cadge.

DIGEST

SB 316 Original 2022 Regular Session Cloud

Present law provides for requirements of mounted height of vehicle lamps.

Proposed law retains present law and provides a requirement that vehicle modifications shall not alter the trajectory of vehicle lamps.

Effective August 1, 2022.

(Amends R.S. 32:322)
