SB 247 Original | 2018 Regular Session | Allain

Present law provides that two dollars per passenger/light truck tire, five dollars per medium truck tire, and ten dollars per off-road tire be collected for every tire sold. These fees are deposited into the Waste Tire Management Fund which is used to operate the waste tire program in DEQ.

Proposed law retains present law but prohibits any generator, transportation, or processor from charging any additional fee for any tire in the waste tire program.
