DIGEST

SB 207 Engrossed | 2024 Regular Session | Mizell

Present law prohibits unauthorized use or operation by a student of any electronic telecommunications device in public school buildings and school buses and on school grounds.

Proposed law retains present law and further provides that any electronic telecommunications device must either be turned off and properly stowed away throughout the duration of the instructional day or prohibited from being turned on and used during the instructional day.

Effective upon signature of the governor or lapse of time for gubernatorial action.
