The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Christine Arbo Peck.

DIGEST

SB 477 Original | 2018 Regular Session | LaFleur

Proposed law adds a definition for chart order with respect to electronic prescribing of noncontrolled legend drugs. Proposed law further provides for bilateral transmission of prescriptions.

Effective August 1, 2018.

(Adds R.S. 37:1164(59) and 1226.4)
