Subject Index

Regular Session
2019

Prepared by the staff of the
David R. Poynter Legislative Research Library
LOUISIANA HOUSE OF REPRESENTATIVES
USER'S GUIDE TO THE SUBJECT INDEX

Index entries are entered using a hierarchical arrangement under a main subject heading and subheading. Refer first to the list of Subject Headings on the following page to locate the main subject heading for your topic.

**Appropriations:** Legislation that makes an appropriation will only appear under the Appropriations heading.

**Departmental entries:** Only legislation directly affecting the organization and management of a department appears under the department/office entry. All programs and other responsibilities of departments are located under their subject heading(s).

**Legislative studies:** Studies by legislative committees are entered under Legislative Affairs: Committee Studies, and under a subject entry as well.

**Non-legislative studies:** Studies by non-legislative entities are entered in a subject section, but not under the agency conducting the study.

**Occupations & Professions:** Most occupations & professions will appear under this heading without an entry under the subject area of their profession. For example, Physicians is entered under Occupations & Professions and will not appear under Health.

**Parish/municipal topics:** Most legislation dealing with parishes and municipalities is entered under a specific subject heading, but is not entered under Municipal & Parochial Affairs.

**Retirement systems:** Legislation about the various retirement systems is only entered under Retirement. For example, bills dealing with firefighters' retirement will not appear under Fire Protection & Officers.

**Special Districts & Authorities:** Legislation about special districts or authorities only has one entry under the Special Districts & Authorities heading.

**State Property Transactions:** Legislation that transfers or leases state property is only indexed under Property: Public Property - State.
