DIGEST

SB 264 Original | 2016 Regular Session | Mills

Present law prohibits use of public funds to provide for, assist in, or provide facilities for an abortion. Proposed law retains present law and adds that no entity that performs abortions shall receive funds from any source via contract, grant funding or otherwise from any sector of state government. Further, provides that prohibition does not apply to entities or organizations that only perform abortions in cases of rape, incest, or when medically necessary to save the life of the mother.

Effective upon signature of the governor or upon lapse of time for gubernatorial action.
