DIGEST

SB 115 Original | 2021 Regular Session | Peacock

Present law prohibits any person convicted of, or found not guilty by reason of insanity for, a crime of violence as defined in present law, or any crime defined as an attempt to commit a crime of violence under the laws of Louisiana, or has been convicted under the laws of any other state or of the United States or of any foreign government or country of a crime which, if committed in this state, would be a crime of violence, from possessing a firearm or carrying a concealed weapon.

Proposed law retains present law and extends the prohibition from possessing a firearm or carrying a concealed weapon to persons that committed a felony-grade delinquent act (a crime of violence committed by a child) when that person was a child and that person is under the age of 24.

Effective August 1, 2021.
