SB 120 Engrossed 2021 Regular Session Boudreaux

Present law provides that, except for the marshals of the city courts of Lafayette and Shreveport, the marshals of certain enumerated city courts also receive the same fees payable to constables of justice of the peace courts.

Proposed law removes the exception for the marshal of the city court of Lafayette and authorizes the marshal of the city court of Lafayette to receive the same fees as are payable to constables of justice of the peace courts. Provides that these fees not exceed 50% of the salary paid to the marshal by the city of Lafayette. Requires that the remainder of the fees and commissions collected be used to defray the operational and necessary related expenses of the office of the marshal of the city of Lafayette.

Effective upon signature of the governor or lapse of time for gubernatorial action.
