The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Amanda Trapp.

DIGEST

SB 160 Original | 2024 Regular Session | Owen

Present law requires a physician assistant licensed in Louisiana to submit notification of intent to practice to the Louisiana State Board of Medical Examiners along with information regarding the physician assistant's supervising physician.

Present law requires the physician assistant to notify the board of any changes in or additions to his supervising physicians within 15 days of the date of the change.

Proposed law increases the time frame to notify the board to 30 days from the date of change.

Effective August 1, 2024.
