DIGEST

SB 198 Original | 2024 Regular Session | Kleinpeter

Present law provides that a person shall not become a candidate in a primary or general election for more than one office unless one of the offices is membership on a political party committee.

Present law further provides that a person shall not be a candidate at the same time for two or more different offices to be filled at separate elections.

Proposed law provides an exception to present law for a senator or representative in the United States Congress who has been nominated as a candidate for president or vice president of the United States and allows that member to become a candidate for either office in addition to being a candidate for the office the member currently holds.

Effective August 1, 2024.
