DIGEST

SB 330 Original | 2024 Regular Session | Seabaugh

Proposed law provides that any defendant, against whom all causes of action are dismissed by the granting of any dispositive motion or exception prior to trial, shall be granted judgment against every plaintiff filing such action in an amount equal to the costs and attorney fees incurred in defense of the action.

Proposed law provides that any defendant who, after a trial, obtains a judgment which results in dismissal of all causes of action, shall be granted judgment against every plaintiff filing such action in an amount equal to the cost and attorney fees incurred in defense of the action.

Effective August 1, 2024.

(Adds C.C.P. Arts. 971.1 and 1674)
