DIGEST

SB 28 Original | 2015 Regular Session | Brown

Proposed law requires each public school governing authority to actively promote and provide information to students and parents on how to access the after-school online homework assistance services offered through the State Library of Louisiana and their local public library. Further provides that the appropriate link provided by the State Library of Louisiana shall be included in each school's student handbook and be posted on the home page of the website of each public school governing authority and each public school that has a website.

Proposed law requires each public school and BESE approved nonpublic school to post the information required by proposed law in a location in the school visible to students.

Proposed law requires the state Dept. of Education to collaborate with the State Library of Louisiana for the support, promotion, and maintenance of its after-school homework assistance services and other instructional-related databases.

Effective upon signature of the governor or lapse of time for gubernatorial action.
