

**RÉSUMÉ DIGEST**

**ACT 56 (HB 298)**

**2017 Regular Session**

**Robby Carter**

Existing law requires new applicants for an agricultural consultant's certificate to furnish satisfactory evidence that they had earned at least four hours of college credit in each discipline area for which certification was sought.

New law modifies existing law by reducing the amount of college credit from four hours to three hours.

Effective August 1, 2017.

(Amends R.S. 3:3246(D)(3))
