EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

REVENUE EXPLANATION

This bill may increase local fund revenue by \$6,000 annually.

Based on information from the Upper Audubon Security District, the District currently has 20 parcels whose owners are exempt (due to the special assessment) from the \$600 annual parcel fee that it charges other property owners. This bill requires that these exempted property owners be charged 50% of the parcel fee charged to other property owners. Therefore, this bill may increase revenue by \$6,000 annually (\$600 annual parcel fee x 50% x 20 parcels). The City of New Orleans, which currently collects the parcel fee for the District, will receive \$60 of this revenue as a collection fee (1% of collections) and the District will receive the remaining \$5,940.
