DIGEST
2021 Regular Session

Bernard

Present law provides for legislative intent regarding the creation of a campaign-free zone around polling places to ensure that voters are able to exercise the right to vote in a secure environment and acknowledges prior instances of election problems that led to the creation of the campaign-free zone.

Proposed law removes references to prior election problems but otherwise retains present law.

Except as otherwise specifically provided by law, present law provides for a campaign-free zone around polling places by prohibiting certain acts between the hours of 6:00 a.m. and 9:00 p.m. within any polling place being used in an election on election day or during early voting, or within a radius of 600 feet of the entrance to any polling place being used in an election on election day or during early voting.

Proposed law retains present law.

Present law prohibits soliciting any other person to vote for or against any candidate or proposition being voted on in an election within the zone during the designated time period.

Proposed law retains present law.

Present law prohibits handing out, placing, or displaying campaign cards, pictures, or other campaign literature of any kind or description whatsoever and placing or displaying political signs, pictures, or other forms of political advertising within the zone during the designated time period.

Proposed law specifies that the prohibition applies to materials advocating for or against any candidate, proposition, or political party appearing on the ballot in the election.

Present law prohibits circulating a recall petition or seeking handwritten signatures to a recall petition within the zone during the designated time period.

Proposed law retains present law and further prohibits circulating or seeking signatures to any petition within the zone during the designated time period.

Effective upon signature of the governor or lapse of time for gubernatorial action.
