

RÉSUMÉ DIGEST

ACT 207 (SB 113)

2021 Regular Session

Tarver

Prior law required the court to order payment out of the court fund to the interpreter for his services at a fixed reasonable amount in civil proceedings, except in cases of domestic abuse where a protective order is sought.

Prior law specified that the amount paid out of the court fund may be taxed by the court as costs of court to be reimbursed to the fund.

New law eliminates the authorization that the amount paid out of the court fund to the interpreter to be cast as court costs to be reimbursed to the fund. New law eliminates the authorization for the court to cast as court costs the amount paid to interpreters in cases of domestic abuse when a protective order is sought.

Effective upon signature of the governor (June 11, 2021).
