

RÉSUMÉ DIGEST

ACT 231 (HB 373)

2021 Regular Session

Bishop

Existing law requires companies that manage a public body's information technology infrastructure, security, or end-user systems to register with the secretary of state.

New law prohibits the secretary of state from disclosing such registration information except to a public body.

Effective upon signature of governor (June 11, 2021).

(Amends R.S. 44:4.1(B)(35); Adds R.S. 51:2113(E))
