HB 294 Original 2022 Regular Session Nelson

Abstract: Requires the guaranteed issue of Medicare supplement policies and prohibits the
denial or conditioning of coverage under certain conditions.

Proposed law requires an annual open enrollment period for an individual who is 65 years
of age and has an existing Medicare supplement policy. Requires the annual open enrollment
period to begin on the individual's birthday and last for 45 calendar days, during which time
the individual may purchase any Medicare supplement policy offered in this state.

are additions.
Proposed law provides that if during the annual open enrollment period, the individual purchases a standardized Medicare supplement policy identified by a plan letter that indicates benefits equal to or lesser than the benefits indicated by the plan letter of the individual's previous Medicare supplement policy, the issuer of the selected Medicare supplement policy is prohibited from denying or conditioning the issuance or effectiveness of the coverage, or discriminating in the pricing of the coverage due to the individual's health status, claims experience, receipt of health care, or medical condition.

Proposed law requires an open enrollment period for an individual 65 years of age who does not have an existing Medicare supplement policy, if the individual maintained health insurance coverage through his employer at the time he attained 65 years of age. Requires the open enrollment period to begin on the termination date of the individual's employer-based health insurance coverage and last for 45 calendar days, during which time the individual may purchase any Medicare supplement policy offered in this state.

Proposed law provides that if during the open enrollment period, the individual purchases a standardized Medicare supplement policy identified by a plan letter for which federal law provides a guaranteed issue right at the time the individual attains age 65, the issuer of the selected Medicare supplement policy is prohibited from denying or conditioning the issuance or effectiveness of the coverage, or discriminating in the pricing of the coverage, due to the individual's health status, claims experience, receipt of health care, or medical condition.

Proposed law requires a Medicare supplement policy issuer to provide notice of the annual open enrollment period for eligible Medicare supplement policyholders at the time an application is made for a Medicare supplement policy or certificate. Requires the notice to be in a form prescribed by the commissioner.
