§339.1. Louisiana Sales and Use Tax Commission for Remote Sellers; nonremote sales

A. In addition to the duties of the commission pursuant to R.S. 47:339, the commission shall:

(1) Develop a single electronic return for all local taxing authorities.
(2) Enter into contracts with collectors of local sales and use tax for the collection of tax from qualifying nonremote sellers. The tax monies received pursuant to these contracts shall, at all times, be and remain the property of the respective local taxing authorities.

(3) Provide the minimum tax administration, collection, and payment requirements required by federal law with respect to the collection and remittance of local sales and use tax imposed on nonremote sales that the commission is authorized by contract to collect.

(4) Establish a fiscal agent for the purpose of nonremote sales and use tax remittances.

B. Definitions.

(1) "Local taxing authority" and "local" means those parishes, municipalities, special tax districts, political subdivisions, parish governing bodies, and school boards who are authorized under the provisions of the Constitution of Louisiana, the Louisiana Revised Statutes of 1950 and jurisprudence to levy and collect local sales and use taxes.

(5) The term "remote seller" means a seller who sells for sale at retail, use, consumption, distribution, or for storage to be used for consumption or distribution any taxable tangible personal property, products transferred electronically, or services for delivery within Louisiana, but does not have a physical presence in Louisiana. The term "remote seller" includes "marketplace facilitators" as defined in R.S. 47:340.1.

(6) The term "qualifying nonremote sale" means a sale by a qualifying
nonremote seller in a parish that has entered into a contract for collection by
the commission pursuant to Paragraph (A)(2) of this Section.

(3) The commission and its operations shall be funded by an amount equal
to actual expenses incurred which amount shall not exceed one percent of the total
amount of state and local sales and use tax collected on remote sales by the
commission. Subject to the limitations provided in this Paragraph, this amount shall
be retained by the commission on a monthly basis from current collections of state
and local sales tax on remote sales as collected by the commission prior to monthly

remote seller to collect and remit state and local sales and use tax on remote sales for
delivery into the state. Upon distribution of the local sales and use tax collected from
remote sellers by the commission, the local collectors may retain the usual and
customary percentage of collections in accordance with local ordinances or
agreements.

state and local sales and use tax remittances and as the central, single agency to
which qualifying nonremote sellers shall make local sales and use tax

to collect.

(3) To assign and direct a single audit of remote sellers for the state and all
local taxing authorities and assign and direct a single audit of qualifying
nonremote sellers for all local taxing authorities that have entered into a
contract with the commission pursuant to R.S. 47:339.1.

(4) To serve as the single state of Louisiana agency to represent both state
