AN ACT

To amend and reenact R.S. 37:1271(A), 1274, and the introductory paragraph of 1285(A), and to enact R.S. 22:1021.1 and Part I-D of Chapter 15 of Title 37 of the Louisiana Revised Statutes of 1950, to be comprised of R.S. 37:1310.11 through 1310.15, relative to assistant physicians; to provide for the licensure of assistant physicians; to provide for collaborative practice agreements; to provide for the powers and duties of the Louisiana State Board of Medical Examiners; to provide for insurance reimbursement claims by assistant physicians; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 22:1021.1 is hereby enacted to read as follows:

§1021.1. Prohibited discrimination; assistant physicians

A.(1) Whenever any health coverage plan delivered or issued for delivery in this state provides for reimbursement of any services which are within the lawful scope of practice of an assistant physician licensed pursuant to R.S. 37:1310.11 et seq., the insured or other person entitled to benefits under the health coverage plan shall be entitled to reimbursement for the services, whether the services are performed by a physician or an assistant physician.

Coding: Words which are struck through are deletions from existing law; words in boldface type and underscored are additions.
(2) Terminology in any health coverage plan policy or contract deemed discriminatory against assistant physicians or that inhibits reimbursement for services at the in-network rate is void and unenforceable.

B. The payment, benefit, or reimbursement to an assistant physician shall not be less than the reasonable and customary amount of payment, benefit, or reimbursement which a licensed physician receives for an intermediate office visit or a primary care physician receives for the same services.

C. The provisions of this Section shall be applicable only with respect to policies, contracts, or other documents delivered, issued for delivery, promulgated, or renewed in this state on or after January 1, 2023.

D. This Section shall not be construed to mandate that any benefit or healthcare treatment be authorized and included in a policy, contract, or other document.

Section 2. R.S. 37:1271(A), 1274, and the introductory paragraph of 1285(A) are hereby amended and reenacted and Part I-D of Chapter 15 of Title 37 of the Louisiana Revised Statutes of 1950, comprised of R.S. 37:1310.11 through 1310.15 is hereby enacted to read as follows:

§1271. License to practice medicine or telemedicine required

A. No person shall practice medicine as defined herein in this Part until he possesses a duly recorded license issued under pursuant to this Part or Part I-D of this Chapter or a permit or registration as provided for herein in this Part.

§1274. Issuance of license

A. If the requirements of R.S. 37:1272 or R.S. 37:1276 are met to the satisfaction of the board, the board shall issue to the applicant a license to practice medicine.

B. The board may issue a license to independently practice medicine to an individual who has practiced as a licensed assistant physician to the board's satisfaction for not less than sixty months.
§1285. Causes for nonissuance; suspension; revocation; or the imposition of restrictions; fines; reinstatement; publication of action; stays

A. The board may refuse to issue, or may suspend or revoke any license or permit, or impose probationary or other restrictions on any license or permit issued pursuant to this Part or Part I-D of this Chapter for the following causes:

PART I-D. ASSISTANT PHYSICIANS

§1310.11. Assistant physicians

A. The Louisiana State Board of Medical Examiners may license an individual, pursuant to the board's authority provided in R.S. 37:1275, to practice medicine as an assistant physician if the individual meets all of the following criteria:

(1) Is either of the following:

(a) A resident of Louisiana who has graduated from an accredited medical school and is not currently enrolled in an accredited graduate medical education training program.

(b) A citizen of the United States or a legal resident alien who has graduated from an accredited Louisiana medical school and is not currently enrolled in an accredited graduate medical education training program.

(2) Has successfully completed Step 1 and Step 2 of the United States Medical Licensing Examination, the Comprehensive Osteopathic Medical Licensing Examination, or the equivalent of both steps of a board-approved medical licensing examination within the two-year period immediately preceding application for licensure as an assistant physician, but not more than three years after graduation from a medical school.

(3) Has not completed an approved postgraduate residency within the two-year period immediately preceding application for licensure as an assistant physician.
(4) Has no licensure, certification, or registration under current discipline, revocation, suspension, or probation for cause resulting from the applicant's medical practice, unless the board considers the conditions and agrees to licensure.

(5) Submits to the board the appropriate fee pursuant to R.S. 37:1281 and any other information that the board deems necessary to evaluate the applicant's qualifications.

§1310.12. Renewal

A. An individual who holds a license as an assistant physician in this state shall apply to the Louisiana State Board of Medical Examiners to renew the license by doing all of the following:

(1) Submitting the appropriate fee pursuant to R.S. 37:1281.

(2) Completing the appropriate renewal forms.

(3) Submitting verification of actual practice pursuant to a collaborative practice agreement during the immediately preceding licensure period.

(4) Meeting all other requirements set by the board.

B. The Louisiana State Board of Medical Examiners shall determine the renewal period.

§1310.13. Collaborative practice agreements; minimum requirements

A. An assistant physician shall only practice medicine in accordance with a collaborative practice agreement with a physician licensed by the Louisiana State Board of Medical Examiners. The collaborative practice agreement shall meet the requirements of this Section.

B. A collaborative practice agreement shall be in the form of a written agreement, jointly agreed-upon protocols, or standing orders for the delivery of healthcare services. The collaborative practice agreement shall be in writing and may delegate to the assistant physician the authority to administer or dispense drugs and provide treatment if delivery of the healthcare services are both of the following:
(1) Within the scope of practice of the assistant physician.

(2) Consistent with the assistant physician's skill, training, and competence and the skill and training of the collaborating physician.

C. The written collaborative practice agreement shall contain, at a minimum, all of the following provisions:

(1) Complete names, business addresses, and telephone numbers of the collaborating physician and the assistant physician.

(2) A list of offices or locations where the collaborating physician authorizes the assistant physician to prescribe.

(3) All specialty or board certifications of the collaborating physician and all certifications of the assistant physician.

(4) The manner of collaboration between the collaborating physician and the assistant physician, including how the collaborating physician and the assistant physician shall do all of the following:

   (a) Engage in collaborative practice consistent with each professional's skill, training, education, and competence.

   (b) Maintain geographic proximity.

   (c) Provide coverage during absence, incapacity, infirmity, or emergency by the collaborating physician.

(5) A description of the assistant physician's controlled substance prescriptive authority in collaboration with the physician, including a list of the controlled substances the physician authorizes the assistant physician to prescribe and documentation that it is consistent with each professional's education, knowledge, skill, and competence.

(6) A list of all other written practice agreements of the collaborating physician and the assistant physician.

(7) The duration of the collaborative practice agreement between the collaborating physician and the assistant physician.

(8) A description of the time and manner of the collaborating
physician's review of the assistant physician's delivery of healthcare services,
including the review of a sufficient sample of the assistant physician's charts.

(b) The collaborating physician, or any other physician designated in the
collaborative practice arrangement, shall review every fourteen days a
minimum of twenty percent of the charts in which the assistant physician
prescribes controlled substances.

D. The Louisiana State Board of Medical Examiners shall promulgate
rules, in accordance with the Administrative Procedure Act, regulating the use
of collaborative practice agreements for assistant physicians. The rules shall
specify, at a minimum, both of the following:

(1) The methods of treatment that may be covered by the collaborative
practice agreement.

(2) The requirements for review of services provided under the
collaborative practice agreement, including delegating authority to prescribe
controlled substances.

E. No later than thirty days after any change to a collaborative practice
agreement and on each renewal for licensure, the Louisiana State Board of
Medical Examiners shall require every physician to identify whether the
physician is engaged in any collaborative practice agreement with an assistant
physician, including the name of each assistant physician and whether the
collaborative practice agreement delegates the authority to prescribe controlled
substances. The board shall track the reported information and may routinely
conduct random reviews of the agreements to ensure compliance with the
provisions of this Part.

F. The collaborating physician shall determine and document the
completion of at least a one-month period of time during which the assistant
physician shall practice with the collaborating physician continuously present
before practicing in a setting where the collaborating physician is not
continuously present.
G.(1) The Louisiana State Board of Medical Examiners shall develop, adopt, and continuously revise rules and regulations governing the prescriptive authority of assistant physicians, including but not limited to the receipt and distribution of sample drugs and prepackaged drugs and the prescribing of legend and certain controlled drugs.

(2) The collaborating physician shall maintain the right to limit a specific scheduled drug or scheduled drug category that the assistant physician is permitted to prescribe. Any limitations shall be listed in the collaborative practice agreement. Assistant physicians shall not prescribe controlled substances for themselves or members of their families. Assistant physicians who are authorized to prescribe controlled substances pursuant to this Part shall register with the United States Drug Enforcement Administration.

(3) The collaborating physician shall determine and document the completion of at least one hundred twenty hours in a four-month period during which the assistant physician shall practice with the collaborating physician onsite prior to prescribing controlled substances when the collaborating physician is not onsite.

H.(1) Nothing in this Part shall be construed to limit the authority of hospitals or hospital medical staff to make employment or medical staff credentialing or privileging decisions.

(2) No collaborative practice agreement shall supersede hospital policies governing medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care that have been approved by the hospital's medical staff.

§1310.14. Designation of licensee

An assistant physician licensed pursuant to this Part shall not use the title of "Doctor" or "Dr." as a prefix to his name unless he uses the phrase "Assistant Physician" or its equivalent, as a suffix to his name or in connection with it.
§1310.15. Rulemaking

The Louisiana State Board of Medical Examiners shall adopt rules and regulations for the administration of this Part as are necessary for the adequate protection of the health and welfare of the citizens of this state.

DIGEST

SB 439 Original 2022 Regular Session Peacock

Proposed law provides that the La. State Board of Medical Examiners (LSBME) may license an individual to practice medicine as an assistant physician if the individual is not currently enrolled in an accredited graduate medical education training program and is either a resident of Louisiana who has graduated from an accredited medical school or a citizen of the United States or a legal resident alien who has graduated from an accredited Louisiana medical school.

Proposed law provides for the qualifications for licensure as an assistant physician. Further provides for the renewal of an assistant physician's license.

Proposed law provides that an assistant physician shall only practice medicine in accordance with a collaborative practice agreement with a physician licensed by the LSBME. Further provides for the required content of a collaborative practice agreement, including prescriptive authority delegated to the assistant physician.

Proposed law provides authority for the LSBME to issue a license to independently practice medicine to an individual who has practiced as a licensed assistant physician to the board's satisfaction for not less than 60 months.

Proposed law provides that, after January 1, 2023, covered healthcare services that are within an assistant physician's lawful scope of practice shall be reimbursed, whether the services are performed by a physician or an assistant physician. Further provides that the reimbursement to an assistant physician shall not be less than the reasonable and customary amount of reimbursement which a licensed physician receives for an intermediate office visit or a primary care physician receives for the same services.

Effective August 1, 2022.
