* * *

D.(1) A local disaster or emergency may be declared only by the parish president, except as otherwise provided in this Chapter. In that event, the state of emergency shall continue until the parish president finds that the threat of danger has been dealt with to the extent that emergency conditions no longer exist. However, no state of emergency may continue for longer than thirty days unless extended by the parish president, and no continuous state of emergency may continue for a period of more than ninety days unless approved by the parish governing authority.

(2) The state of emergency may be terminated by executive order or proclamation. The state of emergency or disaster may be terminated by the

(3) All executive orders or proclamations issued under this Subsection shall
indicate the nature of the emergency, the area or areas which are or may be affected,

continuing, or terminating a local disaster or emergency shall be given prompt and
general publicity and shall be filed promptly with the office of emergency
preparedness and the office of the clerk of court.

C.(1) The state of emergency shall continue until the mayor or chief
executive officer finds that the threat of danger has been dealt with to the extent that

continue for longer than thirty days unless extended by the mayor or chief executive
officer, and no continuous state of emergency may continue for a period of more
than ninety days unless approved by the municipal governing authority.

(2) The state of emergency or disaster may be terminated by the governor,
parish president, a petition signed by a majority of the surviving members of either
house of the legislature, a majority of the surviving members of the parish governing
authority, or a majority of the surviving members of the municipal governing
authority. The document terminating the state of emergency or disaster may
establish a period during which no other declaration of emergency or disaster may
be issued. The termination of a state of disaster or emergency pursuant to this Paragraph shall not affect changes to polling places for an election being conducted in accordance with R.S. 18:401.1 or 401.2.

(3) All executive orders or proclamations issued under this Subsection shall indicate the nature of the emergency, the area or areas which are or may be affected, and the conditions which brought it about. Any order or proclamation declaring, continuing, or terminating a local disaster or emergency shall be given prompt and general publicity and shall be filed promptly with the Governor's Office of Homeland Security and Emergency Preparedness, the local office of homeland security and emergency preparedness, and the office of the clerk of court.

Present law provides that the state of emergency shall continue until the mayor or chief executive officer finds that the threat of danger has been dealt with to the extent that emergency conditions no longer exist, but that no state of emergency may continue for longer than 30 days unless extended by the mayor or chief executive officer.
