HB 796 Reengrossed

2022 Regular Session

Willard

Abstract: Creates the Small Business Innovation Fund for the purpose of providing financial assistance to certain businesses applying for certain federal grants.

Present law provides for the La. Economic Development Corporation (corporation) within the Department of Economic Development (department) and provides for the powers and authority of the corporation.

Present law provides that the corporation shall serve as the review board for certain financial assistance programs for La. small businesses. Further provides that the corporation shall provide support for certain activities by La. businesses to generate commercial products or services by providing matching funds to businesses that received federal Small Business Innovative Research Phase I grant funds.

Proposed law changes present law and provides that the corporation shall provide support for activities by La. businesses to generate commercial products or services by providing funds to businesses that applied for or received federal Small Business Innovation Research (SBIR) or Small Business Technology Transfer (STTR) grant funds.

Proposed law creates the "Small Business Innovation Fund" (fund), as a special fund in the state treasury fund. Further provides that monies in the fund shall be used by the department to provide financial assistance to certain La. businesses applying for SBIR or STTR federal grants. Requires the corporation, working in conjunction with the La. State University A&M La. Technology Transfer Office, to administer awards to selected applicants. Further requires the La. Technology Transfer Office to establish criteria for grant eligibility, provide for an application process, and select eligible applicants to receive the grants.

Proposed law requires compliance with present constitution relative to the Bond Security and Redemption Fund prior to monies being deposited into the fund. Further requires monies in the fund to be invested in the same manner as monies in the general fund. Further provides that interest earned on investment of monies be credited to the fund. Unexpended and unencumbered monies in the fund at the end of the fiscal year shall remain in the fund.

Proposed law provides up to \$150,000 shall be annually disbursed from the fund as follows:

- (1) Up to \$60,000 shall be disbursed to eligible applicants to assist in the completion of Phase 1 applications for SBIR or STTR federal grants. These grants shall not exceed \$5,000 per

business.

- (2) Up to \$60,000 shall be disbursed to eligible applicants to assist in the completion of Phase 2 applications for SBIR or STTR federal grants. These grants shall not exceed \$10,000 dollars per business.
- (3) Up to \$30,000 shall be appropriated to the department for the purpose of technical assistance, outreach programs, and program-related promotions.

Effective upon appropriation of funds by the legislature.
