LACOMBE, CHARLES OWEN, AND PRESSLY

HIGHER EDUCATION: Provides relative to disciplinary proceedings for students enrolled  
in public postsecondary education institutions and student-led organizations

1 AN ACT

2 To enact R.S. 17:3394, relative to the powers and duties of public postsecondary education  
3 management boards; to require a disciplinary hearing process for students and  
4 student organizations accused of committing non-academic offenses; and to provide  
5 for related matters.

6 Be it enacted by the Legislature of Louisiana:

7 Section 1. This Act shall be known and may be cited as the "Student Due Process  
8 and Protection Act".

9 Section 2. R.S. 17:3394 is hereby enacted to read as follows:

10 §3394. Disciplinary proceedings

11 A. Each public postsecondary education management board shall adopt a  
12 policy relative to disciplinary proceedings, right to counsel for students and student  
13 organizations, and appeals.

14 B. Any student enrolled at an institution under the jurisdiction of the  
15 management board and accused of a violation of the disciplinary or conduct rules  
16 that carries a potential penalty of suspension of ten or more days or expulsion has the  
17 right to be represented, at the student's expense, by an attorney or a non-attorney  
18 advocate who may fully participate during any disciplinary proceeding or during any  
19 other procedure adopted and used by that institution to address an alleged violation

1 of the institution's non-academic rules or policies. This right applies to both the  
2 student who has been accused of the violation and to the student who is the alleged  
3 victim, if applicable. Prior to scheduling a disciplinary proceeding, the institution  
4 shall inform the students in writing of their rights as provided by this Section.

5 C. Any student organization officially recognized by an institution under the  
6 jurisdiction of the management board has the right to be represented, at the  
7 organization's expense, by an attorney or a non-attorney advocate who may fully  
8 participate during any disciplinary proceeding or during any other procedure adopted  
9 and used by the institution to address an alleged violation of the institution's non-  
10 academic rules or policies. This right applies to both the student organization that  
11 has been accused of the alleged violation and the alleged victim, if applicable.

12 D. A student or student organization subject to a charge or disciplinary  
13 proceeding by the institution is entitled, upon receiving notice of the charge, to  
14 notice of any and all violations of the institution's non-academic rules or policies and  
15 the disciplinary proceedings or charges that will occur as a result. This notice shall  
16 include but need not be limited to each and every section of the institution's rules or  
17 policies that the student or student organization is alleged to have violated and any  
18 evidence the institution used and collected in making the charge.

19 E. When a violation is punishable by suspension of ten or more days or  
20 expulsion, or when a violation by a student organization is punishable by suspension  
21 or removal of the organization from the institution, the disciplinary procedures  
22 contained in the code of student conduct shall include but need not be limited to the  
23 following:

24 (1) Afford the accused student or organization the express presumption of  
25 innocence and set forth that he or the organization may not be deemed guilty of the  
26 violation until he or the organization formally acknowledges responsibility or the  
27 conclusion of a hearing where the institution has established every element of the  
28 alleged violation.

1           (2) Require the institution to maintain an administrative file of the  
2           disciplinary proceedings. The file shall include all documents and evidence in the  
3           institution's possession or control relevant to the alleged violation and the  
4           institution's investigation including but not limited to exculpatory evidence,  
5           documents submitted by any participant, and the institution's choice of a video  
6           recording, audio recording, or transcript of any disciplinary hearing ultimately held  
7           in the matter. The file shall not include privileged documents or internal  
8           memorandums that the institution does not intend to introduce as evidence at any  
9           hearing on the matter.

10           (3) Provide both the accused student or organization and the alleged victim  
11           reasonable continuing access to the administrative file and the ability to make copies  
12           of all evidence or documents in the file beginning at least seven business days prior  
13           to any disciplinary hearing, or sooner if otherwise specified under federal law, except  
14           that individual portions of the administrative file shall be redacted if disclosure of the  
15           evidence is required by law.

16           (4) Ensure that all disciplinary proceedings are carried out free from  
17           conflicts of interest by ensuring that there is no commingling of administrative or  
18           adjudicative roles. For purposes of this Paragraph, an institution shall be considered  
19           to commingle such roles if any individual carries out more than one of the following  
20           roles with respect to any disciplinary proceeding:

21           (a) Victim counselor and victim advocate.

22           (b) Investigator.

23           (c) Institutional prosecutor.

24           (d) Adjudicator.

25           (e) Appellate adjudicator.

26           F.(1) Any student or student organization that is found to be in violation of  
27           the institution's non-academic rules or policies shall be afforded an opportunity to  
28           appeal the institution's initial decision to an institutional administrator or body that  
29           did not make the initial decision. Such an appeal shall be filed within ninety days

1 after receiving final notice of the institution's decision. The right to appeal the result  
2 of the institution's disciplinary proceeding also applies to the student who is the  
3 alleged victim, if applicable.

4 (2) The right of the student or student organization as provided in  
5 Subsections A and B of this Section to be represented, at the student's or the  
6 organization's expense, by the student's or the organization's attorney or non-attorney  
7 advocate also applies to the appeal.

8 (3) The issues that may be raised on appeal include new evidence,  
9 contradictory evidence, and evidence that the student or student organization was not  
10 afforded due process. The institutional body considering the appeal may consider  
11 police reports, transcripts, and the outcome of any civil or criminal proceeding  
12 directly related to the appeal.

13 G. Upon consideration of the evidence, the institutional body considering the  
14 appeal may grant the appeal, deny the appeal, order a new hearing, or reduce or  
15 modify the punishment. If the appeal results in the reversal of the decision or a  
16 lessening of the sanction, the institution may reimburse the student for any tuition  
17 and fees paid for the period of suspension or expulsion which had not been  
18 previously refunded, if applicable.

19 H. For purposes of this Section, "fully participate" includes the opportunity  
20 to make opening and closing statements, to examine and cross-examine witnesses,  
21 and to provide the alleged victim or accused with support, guidance, and advice. This  
22 Section does not require an institution to use formal rules of evidence in institutional  
23 disciplinary proceedings. The institution, however, shall make good faith efforts to  
24 include relevant evidence and exclude evidence which is neither relevant nor  
25 probative.

26 I. This Section does not affect the obligation of an institution to provide  
27 equivalent rights to a student who is the alleged victim in the disciplinary  
28 proceeding, including equivalent opportunities to have others present during an  
29 institutional disciplinary proceeding, to an unrestricted choice of attorney or non-

1 attorney advocate in any meeting or institutional disciplinary proceeding, and to be  
2 provided simultaneous notification of the institution's procedures for the accused and  
3 the alleged victim to appeal the result of the institutional disciplinary proceeding, if  
4 applicable.

5 J. Any student or student organization that has its rights under this Section  
6 violated may bring a private right of action against the institution and its agents  
7 acting in their official capacities to recover actual damages. If the court finds this  
8 Section or the student or student organization's rights to due process have been  
9 violated, the court shall award three times the actual damages sustained. If damages  
10 are awarded under this Subsection, the court shall award to the person or  
11 organization bringing such action reasonable attorney fees and costs.

12 K. Nothing in this Section shall be construed to impair an institution's ability  
13 to take reasonable interim measures necessary to ensure the physical safety of  
14 members of the campus community during a timely investigation and adjudication  
15 of a student disciplinary issue including but not limited to the ability to make  
16 adjustments in student housing arrangements, impose conditions of mutual no-  
17 contact between the accused student and the alleged victim, temporarily suspend a  
18 student, or ban a student from campus. Such reasonable interim measures shall  
19 require the following:

20 (1) Within twenty-four hours of the alleged violation being deemed an  
21 immediate threat, written notice of the interim measure that explains the institution's  
22 reasons for enacting the measures.

23 (2) Within three business days of the written notice pursuant to Paragraph  
24 (1) of this Subsection, unless otherwise waived by the accused student, an interim  
25 measure hearing to determine whether there is substantial evidence that the student  
26 poses a risk to the physical safety of a member of the campus community and that  
27 the interim measure is appropriate to mitigate that risk. At the hearing, both the  
28 accused student and the alleged victim shall have the right to be represented as  
29 provided in Subsection B of this Section. An accused student's waiver of the right

1           to an interim measure hearing shall not constitute an admission of guilt or a waiver  
 2           of any additional rights provided for in this Section.

HB 364 Reengrossed

2022 Regular Session

McKnight

**Abstract:** Establishes disciplinary hearing procedure for public postsecondary students and student organizations.

Proposed law requires public postsecondary education management boards to establish policies relative to the procedure for students or student organizations being charged with non-academic offenses to use an attorney or non-attorney advocate in their defense at disciplinary proceedings and appeal hearings.

Such a policy shall apply to a student or student organization being accused of violating a non-academic rule or policy and shall include:

- (1) Requirements for notice of a charge being brought against a student or student organization.
- (2) The opportunity for a student or student organization to appeal a decision that it was in violation of a non-academic policy or rule within 90 days of the decision.
- (3) The alleged victim having an opportunity to be represented by an attorney or non-attorney advocate.

Relative to student violations punishable by suspension of 10 or more days or expulsion and organization violations punishable by suspension or removal of the organization from the institution, disciplinary procedures contained in the code of student conduct shall:

- (1) Afford the accused a presumption of innocence.
- (2) Require the institution to maintain a file of disciplinary proceedings.
- (3) Provide for access to the file by the accused and the victim.
- (4) Ensure that proceedings are free from conflicts of interest by preventing commingling of administrative or adjudicative roles.

Authorizes a court to award treble damages for a violation of proposed law.

Authorizes institutions to take reasonable interim measures to maintain the safety of members of the campus community during the investigation and adjudication if the student poses a risk.
