INFRASTRUCTURE

§3051. Short title
This Chapter shall be known and may be cited as the "Transparency in
Ownership of Critical Infrastructure Law".

§3052. Definitions
As used in this Chapter the following terms have the meanings ascribed
unless the context clearly indicates otherwise:
(1) "Company" means a sole proprietorship, organization, association,
corporation, partnership, joint venture, limited partnership, limited liability
partnership, or limited liability company, including a wholly owned subsidiary,
majority-owned subsidiary, parent company, or affiliate of those entities or
business associations, that exists to make a profit.
(2) "Critical infrastructure" means a communication infrastructure
system, cybersecurity system, electric grid, hazardous waste treatment system,
or water treatment facility.
(3) "Cybersecurity" means the measures taken to protect a computer,
computer network, computer system, or other technology infrastructure against
unauthorized use or access.
(4) "Designated country" means a country designated by the governor
as a threat to critical infrastructure pursuant to R.S. 51:3054.
(5) "Governmental entity" means a state agency or political subdivision
of this state.

§3053. Prohibited contracts
A. A governmental entity shall not enter into a contract or other
agreement relating to critical infrastructure in this state with a company if,
under the contract or other agreement, the company would be granted direct
or remote access to or control of critical infrastructure in this state, excluding
access specifically allowed by the governmental entity for product warranty and
support purposes under any of the following circumstances:
(1) The governmental entity knows that the company is owned by or the
majority of stock or other ownership interest of the company is held or
controlled by individuals who are citizens of China, Iran, North Korea, Russia,
or a designated country.
(2) The governmental entity knows that the company or other entity, including a governmental entity, is owned or controlled by citizens of or is directly controlled by the government of China, Iran, North Korea, Russia, or a designated country.

(3) The governmental entity knows that the company or other entity is headquartered in China, Iran, North Korea, Russia, or a designated country.

B. The provisions of Subsection A of this Section shall apply regardless of whether the company’s or its parent company’s securities are publicly traded or the company or its parent company is listed on a public stock exchange as a Chinese, Iranian, North Korean, or Russian company or a company of a designated country.

§3054. Designation of country as a threat to critical infrastructure

A. The governor, after consultation with the director of the Governor’s Office of Homeland Security and Emergency Preparedness, may designate a country as a threat to critical infrastructure for purposes of this Chapter.

B. The governor shall consult the Senate and House select committees on homeland security, to assess a threat to critical infrastructure for purposes of making a designation under this Section.”
