plan and requirements for reporting to the department. The department shall
review the plan submitted by the fund and notify the fund of the plan's approval
or disapproval within thirty days of the department's receipt of the plan.

B. Upon determination by the department that a plan submitted by the
fund is disapproved or that the fund is not implementing a plan in accordance
with the terms of the plan, it shall notify the fund in writing of the
determination.

C. If the fund fails to file a plan to eliminate an insolvency as called for
pursuant to this Section, or if the department notifies the fund that the plan has
been disapproved or that the fund is not implementing the plan according to the
plan, the department shall have the following powers and authority in addition
to any other powers and authority granted under law:

(1) To order the fund to immediately levy an assessment upon its
members in an amount sufficient to eliminate the insolvency.

(2) To levy an assessment, in the name of the fund, upon the members of
the fund sufficient to eliminate the insolvency if the fund fails or refuses to levy
D. (1) In addition to any other powers of the department, in the event that
the group self-insurance fund is insolvent, operating in a hazardous financial
condition, or operating in violation of the requirements of this Part, the
department is hereby expressly authorized to institute delinquency proceedings
against the fund, including entering an order for injunctive relief or placing the
fund into administrative supervision, pursuant to R.S. 22:731, et seq. or into
receivership, pursuant to R.S. 22:2001, et seq.

(2)(a) The Nineteenth Judicial District Court shall have exclusive

officers, agents, directors, or employees from transacting any insurance
business or disposing of property until further action by the court. The court

§4351.10. Examination

A. The department shall make an examination, at least once every five
years, of the group self-insurance fund established pursuant to this Part doing
business in this state, and at any other time when in the opinion of the
department it is necessary for such an examination to be made.

B. Upon determining that an examination should be conducted, the
department shall appoint one or more examiners to perform the examination
and instruct them as to the scope of the examination. In conducting the
examination, the examiner or examiners shall observe those guidelines and
procedures that the department deems appropriate.

C. Nothing contained in this Part shall be construed to limit the
department’s authority to use any final or preliminary examination report, any
examiner or fund work papers or other documents, or any other information
discovered or developed during the course of any examination in the
furtherance of any legal or regulatory action which the department may, in its
sole discretion, considers appropriate.

D. Nothing contained in this Part shall be construed to limit the authority
of the department to terminate or suspend any examination in order to pursue
other legal or regulatory action pursuant to the applicable laws of this state.
Findings of fact and conclusions made pursuant to any examination shall be
prima facie evidence in any legal or regulatory action.

E. In conducting the examination pursuant to this Section, the
department shall examine the affairs, transactions, accounts, records,
documents, and assets of the authorized group self-insurance fund. For the
purpose of ascertaining its condition or compliance with this Part, the
department may, as often as it deems advisable, examine the accounts, records,
documents and transactions of all of the following:

(1) Any insurance agent, solicitor or broker, but only insofar as the
accounts, records, documents and transactions relate to group self-insurance
funds.

(2) Any person having a contract under which he enjoys, in fact, the
exclusive or dominant right to manage or control the group self-insurance fund.

F. The group self-insurance fund being examined, and its officers,
trustees, employees, administrators and representatives, shall produce and
make freely accessible to the department the accounts, records, documents, and
files in its possession or control relating to the subject of the examination, and
shall otherwise facilitate the examination.

G. The department may take depositions, subpoena witnesses or
documentary evidence, administer oaths, and examine under oath any
individual relative to the affairs of the group self-insurance fund being
examined. Any person who testifies falsely or makes any false affidavit during
the course of such an examination shall be guilty of perjury.

H. Whenever the department makes an examination or investigation
pursuant to this Part, all expenses incurred by the department in conducting the
examination or investigation, including the expenses and fees of examiners,
auditors, accountants, actuaries, attorneys, or clerical or other assistants who
are employed by the department to make the examination, shall be paid by the
group self-insurance fund.

I. The department may recover all expenses incurred from the
examination or investigation of any person or entity acting as an administrator
or third-party administrator in this state for the group self-insurance fund.

J. The department shall employ the examiners, auditors, accountants,
actuaries, attorneys, and clerical or other assistants as are necessary to conduct
the examination and to compile and prepare a report thereon, and the
compensation for such examination shall be fixed according to the time actually
devoted to the work, including conducting the examination and compiling the
report thereon, as required by law. The compensation shall be reasonable and
commensurate with the value of the services performed.

K. Upon completion of the examination of the group self-insurance fund
or at stated periods during an examination, the department shall forward to the
group self-insurance fund a statement showing the amount of expenses incurred
in the examination to the date of the statement. Upon receipt, the group self-
insurance fund shall pay the amount of expenses to the department.

L. If the group self-insurance fund considers the amount of expenses
billed to it unreasonable or contrary to the provisions of this Part, it may within
fifteen days after the receipt of the billing file a rule to show cause in a court of
competent jurisdiction upon the department as to the reasonableness and
legality under this Part of the amount of expenses billed to it by the department,
and the rule shall be tried by preference, and upon appeal, shall be given
preference in the appellate court, as provided by the laws of this state for other
state cases.

M. If the group self-insurance fund fails or refuses to pay the expenses
of examination as billed by the department after fifteen days from the receipt
of the billing or after final judgment of the court where a rule has been filed as
provided in this Part, then the department may suspend or revoke the
certificate of authority of such group self-insurance fund to do business in this
state until the full amount of the bill is paid.

§4351.11. Examination reports

A. All examination reports shall be comprised only of facts appearing
upon the books, records, or other documents of the group self-insurance fund
or as ascertained from the testimony of its officers or agents or other persons
examined concerning its affairs, and any conclusions and recommendations the
examiners find reasonably warranted from the facts. The department shall keep
confidential all documents and records associated with the provision of this
Section.

B. Not later than sixty days following completion of the examination, the examiner in charge shall file with the department a verified written report of examination under oath. Upon receipt of the verified report, the department shall transmit the report to the fund examined, together with a notice which shall afford the fund examined a reasonable opportunity, of not more than thirty days, to make a written submission or rebuttal with respect to any matters contained in the examination report.

C. Within thirty days of the end of the period allowed for the receipt of written submissions or rebuttals, the department shall fully consider and review the report, together with any written submissions or rebuttals and any relevant portions of the examiner’s work papers, and enter an order for one of the following:

(1) Adoption of the examination report as filed, or with modifications or corrections. If the examination report reveals that the group self-insurance fund is operating in violation of any law, rule, regulation, or prior order or directive of the department, the department may order the fund to take any action the department determines is necessary and appropriate to cure the violation.

(2) Rejection of the examination report with direction to the examiners to reopen the examination for purposes of obtaining additional documentation, data, information, and testimony.

D. Within thirty days of rejection by the department of an examination report in accordance with Paragraph (C)(2) of this Section, unless the department extends the time for reasonable cause, the examiner in charge shall refile with the department a verified written report of examination, as may be modified or corrected, under oath. Upon receipt of the refiled verified report, the department shall transmit the refiled report to the fund examined, together with a notice similar to the notice provided for in Subsection B of this Section, except that the notice shall indicate that the report is a refiled report.

E. Within thirty days of the end of the period allowed for the receipt of
written submissions or rebuttals, as provided for in Subsections B and D of this
Section, the department shall fully consider and review the refiled report,
together with any written submissions or rebuttals and any relevant portions
of the work papers of the examiner, and enter an order for one of the following:

(1) Adoption of the examination report as refiled or with modification
or corrections. If the refiled examination report reveals that the group
self-insurance fund is operating in violation of any law, rule, regulation, or prior
order or directive of the department, the department may order the fund to
take any action the department considers necessary and appropriate to cure the
violation.

(2) Rejection of the examination report and referral of the matter for
hearing before an administrative law judge within the division of administrative
law in accordance with the provisions of the Administrative Procedure Act, for
purposes of obtaining additional documentation, data, information, and
testimony.

F. All orders entered pursuant to Paragraph (C)(1) or (E)(1) of this
Section shall be accompanied by findings and conclusions resulting from
consideration by the department and review of the examination report, relevant
examiner work papers, and any written submissions or rebuttals. Any order
shall be served upon the fund by certified mail, together with a copy of the
adopted examination report. Within thirty days of the issuance of the adopted
report, the trustees of the group self-insurance fund shall state, under oath, that
they have received a copy of the adopted report and related orders.

G. Within thirty days of receiving notification of the department's order
pursuant to Subsection F of this Section, the fund may make written demand
for an administrative law hearing in accordance with the provisions of the
Administrative Procedure Act.

H.(1) The hearing provided for under Subsection G of this Section shall
be conducted as required by the Administrative Procedure Act. At the
conclusion of the hearing, the administrative law judge shall enter an order
adopting the examination report as filed, or subsequently filed again with
modifications or corrections, and may order the fund to take any action that the
department considers necessary and appropriate to cure any violation of any
law, regulation, or prior order or directive of the department.

(2) The division of administrative law shall issue the order within thirty
days after the conclusion of the hearing and shall give a copy of the order to
each person to whom notice of the hearing was given or required to be given.

I.(1) Upon the adoption of the examination report under Paragraph
(C)(1) or (E)(1) or Subsection H of this Section, the department shall continue
to hold the content of the examination report as private and confidential
information for a period not to exceed thirty consecutive days, unless the
provisions of R.S. 3:4351.10(C) and Subsection B of this Section apply.
Thereafter, the department may open the report for public inspection provided
no court of competent jurisdiction has stayed its publication.

(2) Notwithstanding any provision of law to the contrary, nothing shall
prevent, or be construed as prohibiting, the department from disclosing the
content of an examination report, preliminary examination report or results, or
any matter relating thereto, to the insurance department of this or any other
state or country, or to law enforcement officials of this or any other state or
agency of the federal government at any time, provided the agency or office
receiving the report or matters relating thereto agrees, in writing, to hold it
confidential and in a manner consistent with this Part.

(3) If the department determines that regulatory action is appropriate
as a result of any examination, he may initiate any proceedings or actions as
provided by law.

J. All work papers, recorded information, and documents, as well as all
copies thereof produced by, obtained by, or disclosed to the department, or any
other person, in the course of an examination made under this Part, or pursuant
to the authority of the commissioner under this Part, shall be given confidential
treatment and are not subject to subpoena and may not be made public by the
department or any other person, unless the provisions of R.S. 3:4351.10(C) and
Subsection I of this Section apply. The parties shall agree, in writing prior to
receiving the information, to provide to it the same confidential treatment as
required by this Section, unless the prior written consent of the fund to which
it pertains has been obtained.

K.(1) No examiner may be appointed by the department if that examiner,
either directly or indirectly, has a conflict of interest or is affiliated with the
management of or owns a pecuniary interest in any person or entity subject to
examination under this Part.

(2) Notwithstanding the requirements of this Section, the department
may retain from time to time, on an individual basis, qualified actuaries,
certified public accountants, or other similar individuals who are independently
practicing their professions, even though those persons may from time to time
be similarly employed or retained by persons subject to examination under this
Part.

L.(1) No cause of action shall arise nor shall any liability be imposed
against the department, the authorized representative of the department, or any
examiner appointed by the department for any statement made or conduct
performed in good faith while carrying out the provisions of this Part.

(2) No cause of action shall arise, nor shall any liability be imposed,
against any person for the act of communicating or delivering information or
data to the department, or the authorized representative of the department, or
an examiner, pursuant to an examination made under this Part, if that act of
communication or delivery was performed in good faith and without fraudulent
intent or the intent to deceive.

M.(1) In addition to those examinations performed by the department
pursuant to R.S. 3:4351.10, the department shall conduct financial reviews of
the group self-insurance fund. The reviews shall include the audited financial
statements of the group self-insurance fund rendered pursuant to generally
acceptable accounting principles, results of prior examinations and office
reviews, management changes, consumer complaints, and any other relevant
information as from time to time may be required by the department.

(2) Failure by the group self-insurance fund to supply information
requested by the department during the course of a financial review shall
subject the group self-insurance fund to revocation or suspension of its license
or, in lieu thereof, a fine not to exceed ten thousand dollars per occurrence.

(3) All work papers, recorded information, and documents as well as all
copies thereof produced by, obtained by, or disclosed to the department, or any
other person in the course of conducting a financial review shall be given
confidential treatment and are not subject to subpoena and may not be made
public by the department or any other person, except that any access may be
granted to insurance departments of other states, international, federal or state
law enforcement agencies or international, federal, or state regulatory agencies
with statutory oversight over the financial services industry, if the recipient
agrees to maintain the confidentiality of those documents which are confidential
under the laws of this state.

(4) In conducting financial reviews, the examiner or examiners shall
observe those guidelines and procedures as the department may deem
appropriate.

(5) Nothing contained in this Part shall be construed to limit the
department’s authority to use any final or preliminary analysis findings, any
department or fund work papers or other documents, or any other information
discovered or developed during the course of any analysis in the furtherance of
any legal or regulatory action.

(6) The group self-insurance fund against whom a fine has been levied
shall be given ten days notice of such action. Upon receipt of this notice, the
aggrieved party may apply for and shall be entitled to an administrative hearing
pursuant to the Administrative Procedure Act.

N. Nothing in this Section shall prohibit the legislative auditor from
reviewing records and conducting an audit in accordance with R.S. 24:513.
§4351.12. Authorization of the Department of Insurance to employ investigators

The department shall have authority to employ investigators to investigate complaints received against the group self-insurance fund authorized to do business in this state and against any unauthorized group self-insurance fund that is reported to be operating in this state.

§4351.13. Disclosure

A. It shall be unlawful for any person who is an officer, trustee, employee, administrator, agent, or representative of the group self-insurance fund, as well as any person, partnership, corporation, banking corporation, or any other legal entity which performs any service for the group self-insurance fund, or prepares any report, audit, financial statement or report for, or makes any representation on behalf of, for, or with regard to the group self-insurance fund, in connection with any investigation, or examination authorized by this Part, to act with the specific intent to do any of the following:

(1) Represent falsely, directly or indirectly, to the department or any employee, trustee or administrator thereof, that an asset of such group self-insurance fund is unencumbered, or to misrepresent any other material fact pertaining to the status of any asset or liability of the group self-insurance fund.

(2) Materially misrepresent to the department, or any employee, trustee or administrator of the department, the value of any asset or the amount of any liability of the group self-insurance fund, or any affiliate, subsidiary, or holding fund associated therewith, provided that with regard to a material misrepresentation of the value of any asset or liability, any deviation from the actual value of such assets or liability which results from utilization of and compliance with generally accepted insurance accounting and reporting procedures shall not be deemed a violation of this Section.

(3) Fail to disclose to the department the existence of any liability of the group self-insurance fund, or affiliate, subsidiary, or holding company associated therewith when such disclosure is properly requested or required in
writing by an examiner or administrator of the department.

(4) Materially misrepresent, withhold, deny access to, or otherwise preclude the obtainment of any information properly requested in writing and in accordance with provisions of law affecting dissemination or disclosure of information by specific institutions by an examiner or administrator of the department, which is material and relevant to an examination properly conducted by the department and examiners and administrators of the department.

B. Whoever violates any provision of this Section, upon conviction, shall be fined by the court not more than fifty thousand dollars, or imprisoned with or without hard labor for not more than five years, or both.

§4351.14. Departmental complaint directives; failure to comply; fines; hearing

A. Any person subject to the regulatory authority of the department who fails to comply with any directive issued by the department in connection with a consumer complaint shall be fined an amount not to exceed two hundred fifty dollars for each occurrence.

B. Any person against whom a fine has been levied shall be given ten days notice of the action. Upon receipt of this notice, the person aggrieved may apply for and shall be entitled to an administrative hearing conducted in accordance with the provisions of the Administrative Procedure Act.

§4351.15. Dissolution

A. If the fund chooses to dissolve, it shall apply to the department for the authority to dissolve. An application to dissolve shall be on a form prescribed by the department and shall be approved or disapproved by the department within sixty days of receipt.

B. The dissolution of the fund without authorization is prohibited and shall not absolve or release the fund, a member, or any person or entity which has executed an indemnity agreement from the fund's or person's obligations incurred or entered into prior to the dissolution of the fund.

C. An application to dissolve shall be granted if either of the following
conditions is met:

(1) The fund has no outstanding liabilities including incurred but not
reported liabilities.

(2) The fund is covered by an irrevocable commitment from a licensed
insurer which provides for payment of all outstanding liabilities and for
providing all related services, including payment of claims, preparation of
reports, and administration of transactions associated with the period during
which the plan provided coverage.

D. Upon the dissolution of the fund and after payment of all outstanding
liabilities and indebtedness, the assets of the fund shall be distributed to all
employers participating in the fund pursuant to a distribution plan submitted
by the fund to the department and approved by the department.

§4351.16. Exclusive use of expirations

A.(1) Except as otherwise provided in this Section, for purposes of
soliciting, selling, or negotiating the renewal or sale of group self-insurance
coverage, products, or insurance services, an insurance agent or insurance
broker shall have the exclusive use of expirations, records, or other written or
electronic information directly related to the group self-insurance application
submitted by or the group self-insurance policy written through an insurance
agent or insurance broker. The group self-insurance fund shall not use
expirations, records, or other written or electronic information to solicit, sell,
or negotiate the renewal or sale of insurance coverage, insurance products, or
insurance services to the insured, either directly or by providing such
information to others, without the express written consent of the insurance
agent or insurance broker.

(2) The expirations, records, or other written or electronic information
may be used to review the group self-insurance application, to issue a policy, or
for any other purpose necessary for placing such business through the insurance
producer. The expirations, records, or other written or electronic information
may also be used for any other purpose which does not involve the soliciting,
selling, or negotiating the renewal or sale of group self-insurance coverage, products, or services.

B. This Section shall not apply:

(1) When the insured requests, individually or through an insurance producer that the group self-insurance company renew the policy or write other insurance business.

(2) When the insurance agent has, by contract, agreed to act exclusively for one company or group of affiliated companies, in which case the rights of the agent shall be determined by the terms of the agent’s contract with that company or affiliated group.

(3) When the insurance producer is in default for nonpayment of premiums under the insurance agent’s or insurance broker’s contract or other agreement with the group self-insurer, unless there is a legitimate dispute as to monies owed.

(4) When the agency contract is terminated and the insurance company is required by law to continue coverage for the insured, in which event the insurance company shall continue to pay the insurance agent or the insurance broker commissions on such policies that the company is required to renew during the thirty-six-month period following the effective date of the termination. The commission shall be at the insurer’s prevailing commission rates in effect on the date of renewal for that class or line of business in effect on the date of renewal for brokers or agents whose contracts are not terminated.

C. The insurance producer and insurer may in a written agreement separate from the agency contract, mutually agree to terms different from the provisions set forth in this Section. The terms of any such agreement shall be negotiated in good faith between the parties.

D.(1) The department may adopt rules, in accordance with the Administrative Procedure Act, to enforce the provisions of this Section, and any violation of this Section or the rules adopted pursuant to this Section shall be
subject to regulation by the department under R.S. 3:4351.5.

(2) In addition, the insurance producer shall have a right to a claim for lost commissions. The claim shall be resolved in accordance with the dispute resolution terms in the applicable contract or agreement. In the absence of any dispute resolution terms, the parties shall attempt to resolve their dispute through mediation. If the claim is not resolved through mediation, the claim may be resolved through binding arbitration if the parties agree. In the absence of an agreement to resolve the claim through binding arbitration, the insurance producer may maintain an action for lost commissions.

(3) Except as provided in Subsection B of this Section, nothing in this Section shall be interpreted as impairing any rights in law or contract currently enjoyed by any party.

Section 2. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on the day following such approval.
