§700.6. Termination date

The provisions of this Part shall terminate and have no effect after June 30, 2023.

Section 2. The heading of Part VIII of Chapter 1 of Title 30 of the Louisiana Revised Statutes of 1950, R.S. 30:101.1, 101.2(A), 101.3(1) and (4), 101.4(Section heading) and (A), 101.5(A)(1), 101.6(A)(5) and (6), and 101.9(Section heading), (A) and (C)(4) are hereby amended and reenacted and R.S. 30:101.3(7) and (8), 101.6(A)(8) and (9), 101.9(D)(5), and 101.11 through 101.15 are hereby enacted to read as follows:

PART VIII. LOUISIANA FISHERMEN'S GEAR COMPENSATION AND UNDERWATER OBSTRUCTION REMOVAL PROGRAM

§101.1. Citation

This Part may be cited as the "Louisiana Fishermen's Gear Compensation and Underwater Obstruction Removal Program".

§101.2. Policy and purpose

A. The legislature finds and declares that it is in the public interest and within the police power of this state to establish a fishermen's gear compensation and underwater obstruction removal program and a fishermen's gear.
compensation and underwater obstruction removal dedicated fund account to provide
for the proper and timely identification, inventory, and removal of underwater
obstructions which are a hazard to navigation and commercial fishing in the
state, and to compensate commercial fishermen for damage to their fishing gear from
the underwater obstructions. The program and fund account shall to be administered,
for purposes of fishermen's gear compensation, by the assistant secretary of the
office of coastal management and, for purposes of underwater obstruction, by the
assistant secretary of the office of conservation within, both with the Department of
Natural Resources.

§101.3. Definitions

As used in this Part, the following terms shall have the meanings ascribed to
them in this Section, unless the context or use clearly indicates otherwise:

(1) "Account" means the Fishermen's Gear Compensation and Underwater
Obstruction Removal Dedicated Fund Account.

    *   *   *

(4) "Program" means the Fishermen's Gear Compensation and Underwater
Obstruction Removal Program.

    *   *   *

(7) "Commercial fisherman" means any citizen of the state of Louisiana
whose primary source of earnings is from the harvesting of living marine resources
for commercial purposes. For purposes of this Paragraph, "earnings" means the
earnings derived solely by the personal efforts of the commercial fisherman,
exclusive of the income of a spouse or of any community property interest in the
income of a spouse.

(8) "Fishing gear" means any vessel and any equipment, whether or not
attached to a vessel, which is used in the commercial handling or harvesting of living
marine resources.
§101.4. Fishermen's Gear Compensation and Underwater Obstruction Removal Program

A. The Fishermen's Gear Compensation and Underwater Obstruction Removal Program is hereby created within the office of the secretary of the Department of Natural Resources, and shall be administered for purposes of fishermen's gear compensation, by the assistant secretary of the office of coastal management and, for purposes of underwater obstruction, by the assistant secretary of the office of conservation.

* * *

§101.5. Powers of the secretary

A. The powers of the secretary shall include without limitation the power to do the following:

(1) Administer general oversight of expenditures or commitments to make expenditures from the fund dedicated fund account for the identification, inventory, and removal of underwater obstructions as he deems necessary and appropriate.

* * *

§101.6. Powers of the assistant secretary

A. The powers of the assistant secretary shall include without limitation the power to do the following:

* * *

(5) Administer and manage the Fishermen's Gear Compensation and Underwater Obstruction Removal Program for identification, inventory, and removal of underwater obstructions in the navigable coastal waters of the state.

* * *

(8) Maintain a file on the location of known underwater obstructions.

(9) Administer the payment of appropriate compensation for commercial fishermen whose fishing gear is damaged by underwater obstructions in the Louisiana
territorial waters that overlie state-owned waterbottoms that are contained within the coastal zone boundaries as defined in R.S. 49:214.24.

A. There is hereby established a statutorily dedicated fund account in the custody of the state treasurer to be known as the Fishermen's Gear Compensation and Underwater Obstruction Removal Dedicated Fund Account, hereafter referred to in this Section as the "account", into which the state treasurer shall, each fiscal year, deposit the revenues received from the collection of the monies enumerated in Subsection C of this Section, after those revenues have been deposited in the Bond Security and Redemption Fund. Out of the funds remaining in the Bond Security and Redemption Fund, after a sufficient amount is allocated from that fund to pay all the obligations secured by the full faith and credit of the state that become due and payable within each fiscal year, the treasurer shall pay into the account an amount equal to the revenues generated as provided for in Subsection C of this Section.

Such funds shall constitute a special custodial trust account which shall be administered by the secretary who shall make disbursements from the account solely in accordance with the purposes and uses authorized by this Part.

C. The following monies shall be placed into the account:

(4) Any monies deposited into the account pursuant to R.S. 56:700.2(A)(4) R.S. 30:101.11(B)(2).

D. The monies in the account may be disbursed and expended pursuant to the authority and direction of the assistant secretary for the following purposes and uses:

(5) Payment of any fully justified claim made in accordance with procedures established in this Section for actual damages suffered by a commercial fisherman.
as a result of hitting or snagging an obstruction or hazard in the waters of the state
resulting from natural occurrences, oil and gas activities, or other activities where the
owner of said obstruction is unknown.

§101.11. Geographical coverage; annual assessments

A. The dedicated fund account as established in R.S. 30:101.9 shall be
utilized to compensate commercial fishermen operating in Louisiana territorial
waters which overlie state-owned waterbottoms which are contained within the
coastal zone boundaries as described and established by R.S. 49:214.24.

B.(1) The secretary is authorized and empowered to levy an annual fee in the
amount of four hundred dollars upon each lessee or operator for any agreement for
mineral or energy production or for subsurface storage entered into by the State
Mineral and Energy Board and each grantee of a state right-of-way, for each lease
and right-of-way on July 1, 2023, located within the coastal zone boundary. The
secretary shall not levy the fee upon a political subdivision of the state.

(2) The state treasurer shall be authorized to deposit into the account a sum
in the amount of one hundred thousand dollars from proceeds remaining in the Bond
Security and Redemption Fund after compliance with dedications of mineral
royalties, leases, bonuses, and rights-of-way and other sums payable to the state as
lesser of mineral leases and grantor of rights-of-way as required pursuant to R.S.
30:136(B) and 136.1(A), (B), and (C), after a sufficient amount has been allocated
from the Bond Security and Redemption Fund to pay all obligations secured by the
full faith and credit of the state which become due and payable within the fiscal year.

§101.12. Promulgation and adoption of rules and regulations

A. In carrying out the provisions of this Part applicable to compensation to
commercial fishermen for damage to their fishing gear, the secretary shall prescribe,
and from time to time amend, regulations for the filing, processing, and the fair and
expeditious settlement of claims pursuant to this Part, including a time limitation on
the filing of such claims and the appointment of a hearing examiner. These
regulations shall ensure that the whole claim procedure is as simple as possible. Any
designee of the secretary authorized to prescribe and amend such rules and regulations shall do so under the overall supervision and control of the secretary.

B. In the promulgation of regulations pursuant to this Part, the secretary shall establish a procedure whereby a fisherman may recover for damages from an obstruction encountered previously.

C. Any rule, regulation, or guideline shall be proposed or adopted pursuant to the rulemaking procedures set forth in the Administrative Procedure Act.

§101.13. Disbursement of funds; eligibility; hearings

A. Payments may be disbursed by the assistant secretary from the dedicated fund account to compensate commercial fishermen for actual property damage suffered as a result of hitting or snagging an obstruction or hazard in the territorial waters of the state within the boundaries established for the fund but shall not be extended to speculative loss such as anticipated profit or income.

B. In order to be eligible to receive reimbursement from the fund, a commercial fisherman shall show that he has a valid claim. A valid claim shall be established by the hearing examiner, based on evidence that the following conditions have been met:

(1) The fishing vessel was being used for fishing in Louisiana territorial waters within the boundaries established for this dedicated fund account.

(2) The fisherman made a report to the assistant secretary on the location of the obstruction postmarked within ninety days of the loss. If good cause is shown, the secretary, when there are extenuating circumstances, may waive the ninety-day limit on the reporting period, such waiver period not to exceed forty-five days.

(3) The fisherman made a good faith effort to locate the financially responsible party. Evidence of a good faith effort shall be established by regulation, and shall include attempts to identify the responsible party with the assistance of the Department of Natural Resources where necessary.

C. Notwithstanding the provisions of Subsections A and B of this Section, no payment:
(1) Shall be made from the fund when the damage set forth in a claim was caused by materials, equipment, structures, or other items attributable to a financially responsible party and unless evidence is submitted that the party responsible for the obstruction cannot be determined.

(2) Shall exceed five thousand dollars for any incident.

(3) Shall be made unless the claimant shows by a preponderance of evidence that he is free from contributory negligence in causing the loss.

(4) Shall be made for any claim at a site that has been certified by the assistant secretary of the office of conservation for the Department of Natural Resources as having been cleared under the provisions of this Part. Once a site has been cleared under the Louisiana Fishermen's Gear Compensation and Underwater Obstruction Removal Program, the assistant secretary shall certify that the site of at least two hundred yards in diameter is free of obstructions and future claims at a site so certified shall be denied. Whenever four or more claims are reported after a site has been certified as clear, the site shall be revisited and the new or leftover obstruction shall be located and, if the department determines it is feasible, removed.

D. Upon receipt of a claim against the fund, the secretary shall assign the matter to a hearing examiner for disposition. Claimants shall submit such documentary evidence as the hearing examiner requires to prove a valid claim justifying payment from the fund. In the event that a dispute arises over any claim that cannot otherwise be resolved, the hearing examiner shall hold a hearing, after giving public notice. At such hearing, the claimant and any other interested person may submit evidence. The hearing examiner shall have the power to administer oaths and subpoena witnesses and books, records, and other evidence pertinent to the issue. The hearing shall be held in the state at a place and time determined by the secretary. After the hearing, a prompt decision shall be made, all in accordance with rules and regulations adopted pursuant to this Part and the Administrative Procedure Act.
§101.14. Facilities reports; survey of obstruction; labeling

A. The assistant secretary shall prepare a detailed file of all structures and facilities located on state waterbottoms within the boundaries of this dedicated fund account. In developing the file, the secretary may require the owners and operators of state mineral leases and pipeline rights-of-way to furnish information relative to the location, description, and nature of facilities, both active and abandoned, on and beneath the state's waterbottoms.

B. The assistant secretary shall establish and classify all potential hazards to commercial fishing caused by oil and gas exploration, development, and production activities in Louisiana waters, including all obstructions on the bottom, throughout the water column, and on the surface.

C. The secretary shall establish regulations for all materials, equipment, tools, containers, pipelines, and other items used within Louisiana waters by the oil and gas industry to be properly stamped or labeled, wherever practicable, with the owner's identification prior to actual use. These regulations shall be consistent with labeling regulations promulgated by the U.S. Department of Interior pursuant to the provisions of Title IV of the Outer Continental Shelf Lands Act Amendments of 1978.

§101.15. Termination date

The provisions of this Part shall terminate and have no effect after June 30, 2027.

Section 3. R.S. 36:354(E)(2) is hereby amended and reenacted to read as follows:

§354. Powers and duties of secretary of natural resources

*          *          *

E. The secretary or his designee shall perform and exercise the following powers, duties, functions, and responsibilities relative to land, water, and research, all in accordance with law:

*          *          *

(2) Administer and implement laws relating to the foregoing, including without limitation the laws relative to research and development of solar energy

Section 4. Part XIV of Chapter 1 of Title 56 of the Louisiana Revised Statutes of 1950, comprised of R.S. 56:700.1 through 700.6, is hereby repealed in its entirety.

Section 5. The state treasurer is authorized and directed to transfer any balances remaining in the Fishermen's Gear Compensation Fund repealed and abolished in Section 4 of this Act to the Fishermen's Gear Compensation and Underwater Obstruction Removal Dedicated Fund Account created in Section 2 of this Act.

Section 6. The Louisiana State Law Institute is hereby authorized and directed to arrange in alphabetical order and renumber the definitions provided in R.S. 30:101.3.

Section 7. This Section and Sections 1 and 6 of this Act shall become effective July 1, 2022; if vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on July 1, 2022, or on the day following such approval by the legislature, whichever is later.

Section 8. This Section and Sections 2, 3, 4, and 5 of this Act shall become effective July 1, 2023.
