Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 6:1055 is hereby enacted to read as follows:

§1055. Money transmitters; delivery of funds requirements; exceptions

A. Every money transmitter licensee and its agents shall transmit the monetary equivalent of all money or equivalent value received from a consumer for transmission, net of any fees, or issue instructions committing the money or its monetary equivalent, to the person designated by the consumer, or return such amount to the consumer, within ten business days after receiving the money or equivalent value, unless otherwise ordered by the consumer, accepted under the terms of a contract for stored value or when the transmission is for the payment of goods or services, or unless the licensee or its agent has reasonable cause to believe...
that a violation of law has occurred, is occurring, or will occur in connection with
transmitting the money.

B. For purposes of this Section, money is considered to have been
transmitted when it is mailed, released to the relevant payment system for delivery,
or is otherwise available to the person designated by the consumer and, where
possible, a reasonable effort has been made to inform the designated person that the
money is available.

C.(1) Any provision in a money transmitter licensee user policy or user
agreement which provides a financial penalty or stipulated damages against a
consumer or charitable organization as defined by R.S. 51:1901, for executing a
lawful and valid transaction under federal and state law is contrary to public policy
and shall be null and void.

(2) A money transmitter licensee shall provide notice to a consumer of any
transaction that the money transmitter finds to be or is suspected of being in violation
of the user policy or user agreement and for which the licensee seizes the transaction
funds, unless such notice is prohibited by law. Any funds seized by the money
transmitter prior to providing such notice, unless such notice is prohibited by law,
and found to be from a lawful and valid transaction under federal and state law shall
be processed by the licensee in accordance with Subsection A of this Section.

D. The enforcement of any choice-of-law provision in a money transmitter
licensee user policy or user agreement that would result in a contravention of the
public policy of this state as expressed by Subsection C of this Section shall be null
and void to the extent of such contravention.

E. A money transmitter licensee that seizes or holds funds pursuant to a user
policy or user agreement provision that is subject to nullification as provided by this
Section shall return to the consumer any funds held or seized as a result of such
violation, including any financial penalty or stipulated damages assessed, and such
money transmitter licensee may cancel the service contract.

F. The commissioner of the Office of Financial Institutions shall have the
authority to enjoin a violation of this Section, and any such violation shall be
considered an unfair trade practice and shall subject violators to the provisions of
R.S. 51:1401 et seq. Entities covered by this Section shall be subject to the
enforcement powers of the commissioner of the Office of Financial Institutions as
provided in R.S. 6:121.1. For purposes of this Section, the provisions of R.S.
51:1406 shall not apply to a money transmitter licensee.

G.(1) The provisions of this Section shall not apply to any federally insured
financial institution, its subsidiaries, and affiliates.

(2) The provisions of this Section shall not apply to an operator of a payment
system or its subsidiaries and affiliates which are exempt from licensing under The
Sale of Checks and Money Transmission Act, R.S. 6:1031 et seq., to the extent that
the operator of a payment system provides processing, clearing, or settlement
services, between or among persons, in connection with wire transfers, credit card
transactions, debit card transactions, stored value transactions, automated clearing
house transfers, or similar funds transfers.
