AN ACT

To amend and reenact R.S. 33:2011(A) and to enact R.S. 33:2011(E), relative to occupational diseases; provides relative to members employed in the classified fire service; to provide for an extension to the rebuttable presumption; to provide limitations; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 33:2011(A) is hereby amended and reenacted and R.S. 33:2011(E) is hereby enacted to read as follows:

§2011. Development of cancer during employment in fire service; occupational disease

A.(1) Because of exposure to heat, smoke, and fumes or carcinogenic, poisonous, toxic, or chemical substances, when a firefighter in the classified service who has completed ten or more years of service has developed cancer, the cancer shall be classified as an occupational disease or infirmity connected with the duties of a firefighter. The disease or infirmity shall be presumed to have been caused by or to have resulted from the work performed. This presumption shall be rebuttable by evidence meeting judicial standards.

(2) and shall be extended to a member following termination of service for a period of three months for each full year of service not to exceed sixty months commencing with the last actual date of service. For a firefighter who terminates his service prior to January 1, 2023, this presumption shall be extended to the member following termination of service for a period of three months for each full year of service not to exceed sixty months commencing with the last actual date of service.
(3) For a firefighter who is active or who terminates his service on or after January 1, 2023, the disease or infirmity shall be presumed to have been caused by or to have resulted from the work performed, only if the cancer diagnosis is made prior to the firefighter reaching the age of sixty-five. Following termination of service for a period of one hundred twenty months, commencing with the last actual date of service, the presumption shall be extended to the following members:

(a) A firefighter who is employed in the fire service for at least ten years and attains the age of fifty-five.

(b) A firefighter who is employed in the fire service for at least twenty years and attains the age of fifty.

(c) A firefighter who is employed in the fire service for at least twenty-five years.

(d) A firefighter who is employed in the fire service for at least ten years, and who is subsequently approved for disability retirement by a public retirement system.
