further act, and the lien of any such pledge shall be valid and binding as against
all parties having claims of any kind in tort, contract, or otherwise against the
commission irrespective of whether such parties have notice thereof. Any trust
agreement or other instrument by which a pledge is created need not be filed or

would diminish the amount of the revenues to be received by the commission,
until all of such bonds shall have been retired as to principal and interest, and
there is hereby vested in the holders from time to time of such bonds a contract
right in the provisions of this Section.
K. The commission may provide by resolution for the issuance of refunding bonds pursuant to R.S. 39:1444 et seq.

Subject to the resolution or trust agreement, the trustee shall hold the same for the benefit of the holders of the bonds for the application and disposition thereof solely to the respective uses and purposes provided in such resolution or trust agreement.

N. The commission is authorized to employ all professionals it deems necessary in the issuance of its bonds.

O. The commission is authorized to enter into any and all agreements or contracts, execute any and all instruments, and do and perform any and all acts necessary, convenient, or desirable for the issuance of the bonds or to carry out any power expressly given in this Section.
