

New law requires high school guidance counselors to complete an academic profile for each ninth grade public school student using LA ePortal or other appropriate web-based system. Provides that the profile shall include but not be limited to the student's academic and personal goals, planning for college, exploring careers, participation in extracurricular activities, and other skills and interests. Requires all information contained in the profile to be included in the student's individual graduation plan. Requires student and parental involvement in completing the profile and in the annual review and revision of the profile.

Effective August 15, 2010.
