HB 225 Original

2025 Regular Session

Brown

Abstract: Authorizes search of students upon initial entry onto public school campuses.

Present law authorizes any public school teacher, principal, school security guard, or administrator to search any desk, locker, building, area, or grounds for evidence that the law, a school rule, or parish or city school board policy was violated. Proposed law retains present law.

Present law authorizes the same persons to search the person of a student or his personal effects when there are reasonable grounds to suspect that a search will reveal evidence that the student violated the law, a school rule, or a school board policy. Proposed law retains present law and authorizes such searches during an extracurricular or cocurricular activity.

Proposed law authorizes a public school board to require each student to go through a screening upon initial entry onto campus during a school day.
