AN ACT

To enact R.S. 22:1060.18, relative to cancer treatment; to require health insurers to provide coverage for proton therapy treatment for cancer patients; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 22:1060.18 is hereby enacted to read as follows:

**§1060.18. Required coverage for proton therapy treatment for cancer**

**A. No health insurance issuer shall deny coverage of proton therapy or proton beam therapy for the purpose of diagnosis, treatment, appropriate management, restaging, or ongoing monitoring of an individual's disease or condition if the therapy is being requested for the diagnosis, treatment, or ongoing surveillance of cancer is recommended by nationally recognized clinical practice guidelines.**

**B. No health coverage plan that is renewed, delivered, or issued for delivery in this state shall require an insured to undergo any imaging test for the purpose of diagnosis, treatment, appropriate management, restaging, or ongoing monitoring of an insured's disease or condition of cancer that is not**

1 recommended by nationally recognized clinical practice guidelines, as a  
 2 condition precedent to receiving proton therapy or proton beam therapy when  
 3 the proton therapy or proton beam therapy is recommended by the guidelines  
 4 provided for in this Subpart.

5 C. The coverage provided in this Section may be subject to annual  
 6 deductibles, coinsurance, and copayment provisions as are consistent with those  
 7 established under the health coverage plan.

8 D. The provisions of this Section do not apply to a plan providing  
 9 coverage for excepted benefits as described in R.S. 22:1061, limited health  
 10 benefit insurance plans, and short-term policies that have a term of less than  
 11 twelve months.

12 Section 2. The provisions of this Act shall apply to any new policy, contract,  
 13 program, or health coverage plan issued on or after January 1, 2026. Any policy, contract,  
 14 or health coverage plan in effect prior to January 1, 2026, shall convert to conform to the  
 15 provisions of this Act on or before the renewal date, but no later than January 1, 2026.

DIGEST

SB 129 Original 2025 Regular Session Pressly

Present law requires health insurance plans to provide coverage for certain treatments for cancer.

Proposed law retains present law, and adds proton therapy treatment for cancer to the list of treatments health insurance plans must cover.

Proposed law applies to any new policy, contract, program, or health coverage plan issued on or after January 1, 2026. Any policy, contract, or health coverage plan in effect prior to January 1, 2026, shall convert to conform to the provisions of proposed law on or before the renewal date, but no later than January 1, 2026.

Effective August 1, 2025.
