SB 217 Original

DIGEST  
2025 Regular Session

Duplessis

Present law prohibits the casino gaming operator from reducing its total operating force or personnel level below 90% of the force or level as such existed on March 8, 2001.

Proposed law requires the La. Gaming Control Bd. to adopt and maintain oversight regarding the casino gaming operator's minimum operating force or personnel level.

Present law prohibits the casino gaming operator from reducing the total salary levels or compensation of its operating force or personnel by more than 10% of the salary level or compensation as such existed on March 8, 2001.

Present law defines "operating force or personnel level" as the number of people employed by the casino and any related non-gaming entity, including hotel operations, hospitality outlets, third-party tenants, corporate employees, and any third-party contractors that work at the casino and any related non-gaming venue, excluding any third-party contractors providing personal or professional services.

Proposed law requires the casino gaming operator to maintain a minimum biweekly payroll of its operating force or personnel as defined in present law as adopted by and subject to the oversight of the La. Gaming Control Bd.

Effective August 1, 2025.
