REVENUE EXPLANATION

Proposed legislation will increase SGR revenues for the Department of Public Safety (DPS), Liquefied Petroleum Gas Commission by approximately \$180,000 annually from increasing registration fees from \$50 up to a maximum of \$150 for tanker trucks with water capacity of at least 1,000 gallons. OMV reports 1,800 tanker trucks apply for registration annually.

The \$180,000 increase for the Liquefied Petroleum Gas Commission is calculated as follows:

Proposed law (1,800 registrants x \$150 fee = \$270,000)
 Current law (1,800 registrants x \$50 fee = \$90,000)
\$180,000 Increase
