HB 210 Engrossed

2025 Regular Session

Chassion

Abstract: Provides for record retention of audit trail information in the state prescription monitoring program.

Present law requires persons authorized to dispense or distribute controlled dangerous substances or drugs monitored by the Prescription Monitoring Program to submit certain information to the La. Board of Pharmacy (board).

Present law requires the board to establish standards by rulemaking for the retention, archiving, and destruction of prescription monitoring information.

Proposed law retains present law and further requires the board to establish rulemaking standards for the retention, archiving, and destruction of audit trail information.

Proposed law retains present law and further states that present and proposed law shall not be construed to modify the provisions of present law (R.S. 44:411).

Proposed law requires all agencies to keep all records in accordance with present law after approval and requires approval before destroying records.

(Amends R.S. 40:1006(G); Adds R.S. 40:1006(H))

Summary of Amendments Adopted by House

The Committee Amendments Proposed by House Committee on Health and Welfare to the original bill:

1. Require the retention of all records and approval before the destruction of any records.
