
HOUSE COMMITTEE AMENDMENTS

2025 Regular Session

Amendments proposed by House Committee on Insurance to Original House Bill No. 622
by Representative Hilferty

1 AMENDMENT NO. 1

2 On page 1, line 2, delete "R.S. 22:1077.4," and insert "R.S. 22:1077.4 and R.S. 40:1081.13,"

3 AMENDMENT NO. 2

4 On page 1, line 4, after "cancer;" insert "to provide application to Medicaid coverage;"

5 AMENDMENT NO. 3

6 On page 1, delete lines 11 through 13 in their entirety and insert in lieu thereof the following:

7 "of primary and metastatic tumors in the liver if the person presents with any of the
8 following conditions:

9 (1) Residual disease after first-line treatment of chemotherapy.

10 (2) Metastatic colorectal cancer with liver-dominant or liver-only metastatic
11 disease where a physician has determined surgery is not a good option for the
12 patient.

13 (3) Tumors up to four centimeters or larger if the tumor can be treated in its
14 entirety.

15 (4) Metastatic neuroendocrine tumors with systemic symptoms associated
16 with elevated hormone levels.

17 B. Coverage provided pursuant to this Section may be subject to annual
18 deductibles, coinsurance, and copayments consistent with those established under the
19 health coverage plan."

20 AMENDMENT NO. 4

21 On page 1, line 14, change "B." to "C."

22 AMENDMENT NO. 5

23 On page 1, after line 16, insert the following:

24 "Section 2. R.S. 40:1081.13 is hereby enacted to read as follows:

25 §1081.13. Medicaid coverage; histotripsy procedures

26 A. The Louisiana Department of Health shall make available to persons who
27 are eligible for Medicaid benefits under Title XIX of the Social Security Act, 42
28 U.S.C. 1396 et seq., coverage for histotripsy procedures for the treatment of primary
29 and metastatic tumors in the liver if the person presents with any of the following
30 conditions:

31 (1) Residual disease after first-line treatment of chemotherapy.

32 (2) Metastatic colorectal cancer with liver-dominant or liver-only metastatic
33 disease where a physician has determined surgery is not a good option for the
34 patient.

35 (3) Tumors up to four centimeters or larger if the tumor can be treated in its
36 entirety.

37 (4) Metastatic neuroendocrine tumors with systemic symptoms associated
38 with elevated hormone levels.

39 B. A health maintenance organization, health insurance organization, or
40 managed care organization that contracts with the state to provide or coordinate

1 healthcare services to any person eligible for Medicaid coverage pursuant to this
2 Section shall also provide certain documents to the department that address treatment
3 for rare and less common cancers through consultation with subspecialists within
4 respective fields.

5 C. Coverage provided pursuant to this Section may be subject to copayments,
6 deductibles, or other cost-sharing mechanisms.

7 D. For the purposes of this Section, "histotripsy" means a non-invasive
8 procedure that uses high-intensity sound waves to selectively destroy cancer tissue
9 in the liver."
