9

10 "§508.5. Office of transformation; functions; powers and duties

11 A. There is hereby created within the Department of Transportation and  
12 Development the office of transformation which shall operate under the direction and  
13 supervision of the deputy secretary. The purpose of this office shall be to implement  
14 strategies and initiatives designed to enhance operational efficiency within the  
15 department.

16 B. The office of transformation shall be charged with the execution and  
17 administration of all statutory mandates enacted during the 2025 Regular Session of  
18 the Legislature, as they pertain to the department.

19 C. In addition to its other duties, the office of transformation shall implement  
20 the following measures for the purpose of improving efficiency within the  
21 department:

22 (1) Develop, implement, and evaluate annually Key Performance Indicators  
23 (KPI's). At a minimum, the strategic goals of these KPI's, shall focus on asset  
24 management, workforce efficiency, innovation, safety, and stakeholder customer  
25 services no later than January 1, 2026.

26 (2) Develop and implement a quantitative methodology for the prioritization  
27 of capacity projects. This methodology shall account for the measurable benefits of  
28 each project, including but not limited to anticipated impacts on economic  
29 development, and shall serve as a basis for the systematic ranking and scheduling of  
30 project delivery.

31 (3) Develop standardized project selection templates for use across the  
32 department's various programs. The templates shall identify the necessary data  
33 elements and evaluation criteria required for the identification, assessment, and  
34 prioritization of departmental projects in a consistent and objective manner.

35 (4) Identify routine pavement preservation projects that are appropriate for  
36 management and execution solely by the department's district personnel. Upon such  
37 identification, responsibility for the implementation of said projects shall be  
38 transferred to the respective district offices, with the goal of enhancing operational  
39 efficiency and localized project delivery.

40 (5) Identify and implement opportunities to outsource routine maintenance  
41 activities in order to more effectively provide safety-critical repair and maintenance  
42 of the state highway system in a timely manner.

43 D. The provisions of this Section shall expire on January 1, 2026, unless  
44 reauthorized by the legislature prior to such date.

45

46 §508.6. Departmental reform; directive and authority to restructure and organize

47 A. The Department of Transportation and Development is hereby directed  
48 to fully leverage the office of transformation to hold each office of the department  
49 accountable to optimize the respective functions under the direction of the deputy  
50 secretary.

51 B. The office of transformation shall be charged with implementing  
52 comprehensive reforms enacted by the legislature during the 2025 Regular Session

1 and shall be obligated to notify the legislature of any conflicting laws or other issues  
2 that impede the department's ability to comply with the reform measures.

3 C.(1) By fiscal year 2026-2027, it shall be the charge of the office of  
4 transformation to have established and empowered a central Department of  
5 Transportation and Development data management role and program, for  
6 implementation of a data asset management process, documented and formalized for  
7 key products, implemented modern standard data architecture, tools, and practices;  
8 for centralized data management and analytics, and enabled collaboration by default.

9 (2) Alternatively, the department shall examine best practices to develop and  
10 implement a state-of-the-art internal information system that conveniently and  
11 accurately monitors the status of its functions statewide.

12 D. The department shall have enacted comprehensive, department wide  
13 reforms of the access permit process to include the policy, administrative code,  
14 engineering directives and standards manual, and online application processes by  
15 June 30, 2026.

16 E. The department shall modernize and reform project development and  
17 execution across the entire department to stabilize letting and to remit payments to  
18 vendors and contractors on a bi-monthly basis, consistent with the terms of its  
19 contracts, no later than June 30, 2026."
