EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. Proposed constitutional amendment prohibits the use of funds, goods, or services donated by a foreign government, entity, or noncitizen to promote any ballot proposition, candidate, issue, or political party.

The Secretary of State may incur minimal ballot processing costs associated with this measure. As a regular practice, the Secretary of State typically budgets for up to 10 constitutional amendments and statewide propositions for the fall statewide elections. To the extent the ballot includes more than 10 constitutional amendments and statewide propositions, the Secretary of State may require additional SGF resources for the November 3, 2026, statewide election. Any expenditure impact would be realized in FY 27.

REVENUE EXPLANATION
