Present law provides that the chairman, vice chairman, two-at-large appointees, and other members of the board, except for the ex officio member, shall be reimbursed for necessary travel and other expenses actually incurred in the discharge of duties. Further provides that the actual salaries, subject to the limits provided in present law, shall be authorized by executive order of the governor.

Proposed law amends present law to provide that the chairman of the board, the two-at-large appointees, and each of the other members of the board, except for the ex officio member, shall receive an annual salary.

Proposed law provides that the actual salaries and expenses shall be paid from the general operating fund of the Dept. of Public Safety and Corrections in an annual amount as authorized by the secretary.

Proposed law provides that the salary shall be structured so that the salary of the chairman is set at a rate that is 10% higher than that of a board or committee member and the salary of the vice chairman is adjusted to 5% above that of a board or committee member.
