HB 359 Engrossed

2025 Regular Session

Miller

Abstract: Establishes procedures for physicians encountering patients who exhibit signs of human trafficking in emergency departments.

Proposed law provides that when a physician encounters a patient who exhibits signs of human trafficking, the physician shall:

- (1) Contact a sexual assault nurse examiner.
- (2) Develop a plan of care for the treatment of the patient in coordination with the treating physician.

Proposed law directs the nine office of public health regions to incorporate information about human trafficking into a regional sexual assault protocol to provide healthcare professionals and the public with information on how to spot the signs of human trafficking.

Proposed law creates the Louisiana Human Trafficking in Emergency Departments Task Force (task force).

Proposed law directs the task force to develop a uniform regional sexual assault protocol for human trafficking and conduct an assessment of hospital emergency departments knowledge of the signs of human trafficking.

Proposed law provides for membership of the task force.

Proposed law provides that the task force shall report to the legislature annually 90 days before session convenes and provide a report on its findings.
